

News Story - Teddy Bear Picnic

This week was our 'teddy bear picnic'. Parents we're invited to join and see first-hand who their child play with at the nursery and what exciting activities they get up to.

Parents of pre-school children were invited in on Monday afternoon.

Children were encouraged to bring in their teddy bear which they had with them during snack time. Children enjoyed their picnic snack on the carpet with their parents and teddy bear.

"I have a picnic at the park."

"My mummy takes me for a picnic!"

"I like it when my mummy comes to nursery."

Toddler parents were invited to join us the following day.

Children were so excited to have their mummy's come into nursery.

Toddlers enjoyed their picnic snack as well as role playing picnic with their mummy's in the home corner.
