

## News Story - White Day

Today is Jumma and we focused on the colour white. The children came dressed in their lovely white jubba's, abaya's, hats and scarfs. We talked about what the colour white resembles for Muslims (purity).

The children learnt that our Prophet (PBUH) wore white. We also talked about other sunnah's we carry out on a Friday, for example, taking a shower, wearing clean clothes, reading Jumma and reciting tasbih and durood.

We conducted some activities using the colour white. We made snow and enjoyed making marks using lollipop sticks.

We encouraged our pre-school children to write their names using chalks on black paper, and the toddlers enjoyed making snowflake pictures using white paint and forks.
