

News Story - Eid Party

This week the children have had a party to celebrate Eid-ul-Fitr. The children came dressed in their beautiful, smart Eid clothes ready for the party. During group time we discussed what each of us did on Eid day with our families, what presents we received and gave and what yummy food we all enjoyed.

The children spent the day having fun with friends, taking part in a chocolate coin game, popping bubbles outside, playing nasheed statues, duck, duck, goose and many more fun games. We also enjoyed some special treats during snack time, which everyone shared with friends and enjoyed. The children had a fun filled day and took home a little treat from Apa at the end of the day!
