

New Story - Graduation Party

This week all the children have had their graduation party.

The children came to nursery wearing their fancy party clothes ready to have some fun. We had a lovely graduation ceremony / star of the week awards for all children to receive their certificates with their friends and took some pictures wearing their graduation gowns. Children enjoyed joining in with our fun party games; musical nasheeds, breaking a pinata, nasheed chairs, lucky dip and whacking balloons. Children also enjoyed eating some yummy party food with their friends.

To finish off, we all enjoyed some lovely ice cream from the ice cream van as a lovely treat for our children.
