

News Story - Hajj and Eid-ul-Adha

During the last week, the children have been focusing on Hajj. We first introduced children to Hajj role-play through small models and wooden people which the children enjoyed re-enacting what they already knew. Apa

explained about the journey of Hajj, the sacrifice that we make.

The toddlers created a model Kabaa using modelling resources and paint. The children wore an ihraam or an abaya and circled around the Kabaa together. This is something the children really enjoyed.

When we returned after our Eid break the children enjoyed a lovely 'Eid party' with their friends. Children came in wearing their fancy Eid outfits and we enjoyed playing some party games such as scavenger hunt, nasheed statues, nasheed chairs and catching bubbles outside. We also enjoyed some yummy party snack food and children shared with friends what they got up to on Eid day with their family and what presents they received.
