

## News Story - World Rainforest Day

This week we had stay and play at nursery. We invited parents in to come and spend some time with their child at nursery.

Stay and plays are a fantastic opportunity for parents to see firsthand what their child get up to at nursery, who their friends are and for parents to have an informal catch up with their child's key person.

Our theme for stay and play this term was 'World Rainforest Day.' We had many parents who joined us to spend time with their child at nursery. Staff set out many exciting activities around the room for everyone to

enjoy. The children really enjoyed spending time with their parents and being able to show case the nursery.
